

Anil Kumar S

kumar45@gmail.com | Bengaluru, Karnataka | 90000000006

Career Objective

To develop computer vision solutions like Face Mask Detection using deep learning techniques.

Education

B.E in Cyber Security

PES University (2020–2024) | CGPA: 7.8

Technical Skills

Python, OpenCV, CNN, Machine Learning, SQL, HTML, CSS

Projects

Face Mask Detection – Built a CNN model to detect mask usage in real-time images.

Strengths & Soft Skills

Problem-solving, teamwork, adaptability, communication

Certifications

Cyber Security Basics, Python Programming

Internships

Computer Vision Intern

Declaration

I hereby declare that the above-mentioned details are true to the best of my knowledge.
